Website

It seems quite a few people are using the website and we've had some feedback about glitches which is really helpful - so many thanks for this.

We'll try and address them in due course. In the meantime there is a link to archives on the bottom of each page so it's always worth clicking there to see if you can find what you're looking for.

GDPR

Thank you to everyone who has sent in their acceptance of our privacy statement.

Several people have asked for clarification on a couple of points so here goes:

- An email acceptance is fine using the following words and your email will be kept for our records:

I have read and understood SWF's Privacy Notice.

I agree to its terms.

Name

Club

- We only need acceptance from the following people at this stage:
 - Club contact i.e. the person we email Cygnet to
 - Treasurer or the person who deals with finances relating to SWF
 - League team captains or the team contacts as published in SWAN
- We do not share the details for the club contacts or treasurers except amongst members of the committee
- The League team captains' details are published in SWAN and Cygnet

Implementation date is 25th May 2018 so we require your authorisation by then.

Scam Warning

Neil, our treasurer, has received a scam email, purportedly from Marcus, asking for a bank transfer of funds.

Luckily he recognised it as unlikely to have actually come from Marcus - one reason being it came from an "@swfcroquet.org.uk" address, which we hardly ever use.

We are now planning to remove these addresses from the website and close the server so please ignore any emails you receive from such an address.

And if your club still uses these - we don't think anyone does - please note these are our plans.

Handicapping Workshops

The notes for these workshops are attached separately and will be available on the SWF website in due course.

Many thanks to Robert Moss and his team for all his hard work on this - we are in the process of sending out attendance certificates to delegates - look out for a further session in the south in the autumn.
