

SOUTH WEST FEDERATION OF CROQUET CLUBS

LEAGUE RULES (GOLF CROQUET)

(Incorporating changes made at the ~~2018~~ 2019 AGM)

1. LEAGUES AND ENTRIES

- a. The Federation shall organise a number of leagues, in which teams from Full Member Clubs may play matches against one another. The leagues currently supported are:
 - (1) the Handicap League;
 - (2) the Level Play League;
 - (3) the High Handicap League.
- b. Each league shall consist of two or more all-play-all blocks. The number of blocks in each league and the allocation of entrants to those blocks shall be at the discretion of the League Secretary, except that in a league containing 20 or more entrants that league shall be structured in a minimum of four blocks.
- c. The Federation Secretary shall invite applications from clubs in the Federation for places in the leagues for the following year when notifying them of the agenda for the Annual General Meeting (AGM).
- d. A team that has conceded two or more matches in the most recent season shall, in the following season, be refused entry to the league in which it has defaulted unless the League Secretary can be convinced that there were extenuating circumstances which prevented the matches in question from being played.
- e. The deadline for entries shall be fourteen days after the AGM.
- f. The entry fee for all leagues shall be the same.

2. FIXTURES AND VENUES

The fixtures and their venues for each season shall be laid down by the League Secretary, who shall send out notification to each club of its league fixture commitment for the following season no later than one month after the AGM.

3. FIXTURE DATES

- a. It shall be the duty of all clubs concerned to arrange the dates for their fixtures and submit them to the League Secretary by 1st February. Appendix 1 is to act as a checklist for club tournament secretaries / team captains.
- b. No fixture shall be arranged for a date later than that specified for the relevant league by the League Secretary in his notification to clubs (*q.v.* Rule 2).
- c. It shall be the duty of the League Secretary to publish a full league fixture list, with details of dates and venues, in the South West Area Newsletter (SWAN).
- d. Once SWAN has been published, a fixture date may only be changed in exceptional circumstances with the agreement of both clubs and subject to immediate notification to the League Secretary.
- e. If two teams from the same club are in the same block in a League then those teams must play the fixture between them before any other game for either team.

4. ELIGIBILITY

- a. Only current playing members of a club shall be eligible to represent that club. [It is the responsibility of the team captain to know the current Rules that apply to his team and to have a copy of them for reference.](#)
- b. In any given league, no player shall play for more than one team during a season. Note that this rule does not preclude a player from participating in more than one league during a season, or from playing for another club in a different league.
- c. On the day any match is played, each player shall comply with the appropriate handicap restriction from the following.
 - (1) There is no handicap restriction in the Level Play League.

- (2) Players-Subject to (d) below, players with handicaps of 10 or below may play in the Handicap League matches. In addition, a team may field one player whose handicap is 11 or 12.
- (3) Players-Subject to (d) below, players with handicaps of 8 or above may play in the High Handicap League matches.
- d. If a player has played for a Handicap or High Handicap League team throughout the season and is still eligible to play for that team when it plays its final block match then, if the team qualifies for the play-offs, that player shall be allowed to participate if his/her handicap is within, or not more than one step outside, the range for that league.
- e. Players must have a properly assessed Golf Croquet handicap, and all players should have a completed handicap card. Each player is responsible for ensuring that his/her handicap is correct on the CA website.
- f. No player may, under any circumstances, play off the wrong handicap. If it is discovered at any stage during or after a Handicap or High Handicap League match that a player's declared handicap is incorrect, any game in which excess Extra Strokes were received that was won or drawn will be converted to a win for the adversary. If any handicap errors are discovered during or after a Level Play League match, the opposing team captain should be informed immediately so that corrections can be made to any affected handicap cards.
- g. Where a player is a member of a team for which he/she is not eligible under (a) to (d) above, all the games involving that player will be deemed to be wins for the opposing team.
- eh. A CA handicapper, who is a member of a team, may not alter the handicap of a member of the opposition without that player's consent.

8. TIME LIMITS

- a. A time limit of not less than 50 minutes shall be agreed by both team captains before the start of each game (except as directed under Rule 13e); if they wish, they may agree to play any game without a time limit.  - (2) A walkover win shall be scored 9-0.
- b. ABANDONED MATCHES.
 - (1) DEFINITION. A lawn is unplayable if:
 - i. both captains agree it is unplayable; or

 - i. choose to continue the match; or
 - ii. agree to abandon the match; or
 - iii. disagree, in which case the match shall be abandoned.

- (3) If a match is abandoned because one or more lawns are unplayable, every attempt should be made to complete the match at a later date unless one team has already won more than half of the scheduled number of games. Failing this, the match shall be awarded to the team with the most wins in completed games; if the number of wins is shared equally, the match shall be declared a draw.
- (4) If all the lawns are playable but the two captains mutually agree to abandon the match for some other reason, the match score at the time it is abandoned shall be the recorded score.
- (5) If all the lawns are playable and one captain wishes to abandon the match but the other wishes to continue, any uncompleted games shall be awarded to the team that is prepared to continue.

12. FINAL BLOCK POSITIONS

a. In determining the positions in an all-play-all block after all fixtures have been decided, teams shall be ranked according to the following hierarchy.

(1) Match points awarded.

(2) "Who beat whom".

(3) If two or more teams are still equal then, for a mini-block of the equal teams:

i. match points awarded; then

ii. average nett hoop points per game between the teams in the mini-block.

(5) If two or more teams are still equal then they shall be ranked by the average nett hoop points per game in the entire block.

b. If the above measures fail to resolve the equality in ranking then lots shall be drawn by the Committee.

~~a. In determining the positions in an all-play-all block after all fixtures have been decided, teams shall be ranked in order of match points awarded.~~

~~b. Where two teams have the same number of match points:~~

~~(1) for blocks in which teams play each other once only, the team that won the match between them in that season shall be ranked the higher;~~

~~(2) for blocks in which teams play each other twice (home and away), the higher-ranked team shall be determined by the aggregate game score in the two matches between those teams; if the aggregate game score is still inconclusive, the teams shall be ranked in order of the average points difference achieved per game in those two matches.~~

~~c. Where more than two teams have the same number of match points, a mini-block of the matches between the teams concerned shall be examined, and the principles of (a), then (b), above shall be re-applied. If (b) above cannot be applied to the mini-block, the teams shall be ranked in order according to the percentage of games they have won in the mini-block during that season.~~

~~d. Where, following the application of (c) above, two teams are now ranked equally, (b) above shall be re-applied.~~

~~e. Where, following the application of (c) and (d) above, more than two teams are ranked equally, those teams shall be ranked in order of the average points difference achieved per game played in the mini-block during that season.~~

~~f. Where, as a result of (e) above, two teams are now ranked equally, (b) above shall be re-applied.~~

~~g. If (a) to (f) fail to resolve the equality in ranking, lots shall be drawn by the Committee to determine the matter.~~

13. PLAY-OFFS AND FINALS

- a. After the final block positions for each of the constituent blocks have been determined, then in each block the team with the highest position shall be declared the Block Winner. For each league ~~formatted as all-play-all blocks, the Committee, the League~~

[Secretary](#) shall arrange such play-offs between the block winners as may be necessary to produce two finalists. Should any block winner be unable to compete in the relevant play-off match or final, the League Secretary may deem the next highest-placed available team in that block to be the block winner. Similarly, should a team win a play-off match and then become unable to compete in the next play-off match or final, the League Secretary may reinstate the last team beaten by the unavailable team.

- b. Play-offs shall be staged at the venues of block winners, and each block that is to provide the host and "Home" club shall be determined on a rotational basis and printed in SWAN. Matches may be played on any date after the [block winners have been decided penultimate Sunday in August](#), by arrangement between the clubs involved, but no fewer than seven days before the scheduled date for the [next round. relevant final.](#)—It is the responsibility of both clubs in each match to inform the League Secretary of the agreed date.
- c. League finals shall be staged at venues (host clubs) and on dates decided by the [Committee-League Secretary](#) and printed in SWAN. For each of the finals, the "Home" Club shall be determined by the League Secretary.

 - (1) determine the number and size of the lawns (subject to Rule 7b); and

APPENDIX 2

REGULATIONS

These regulations are intended to provide guidance for team captains on some aspects of match conduct in order to reduce misunderstandings.

Handicaps and Extra Strokes

At the start of the match, each captain should provide the opposing captain with a list of players and their handicaps.

The captains should be particularly aware of Rule 4, Eligibility.

The number of extra strokes claimed for each player should be clearly stated before each game.

Whatever system is used for marking the number of extra strokes (e.g. beads, bisque sticks, etc.), the token should be handed over or removed before the stroke is played. All players should be kept aware of the number of extra strokes remaining.

If an extra stroke is taken when the player is not entitled, the rule for a Wrong Ball (same side plays twice) applies.

Wrong Ball forestalling

It is recommended that the game referee invites all players to be Sequence Umpires, whether playing or not. Their responsibility is to forestall in any game if a wrong ball is about to be played or has been played.

Spectators who are neither referees nor players should not forestall but can draw the attention of a Sequence Umpire to a wrong ball if they notice one.

Warm-up time

A visiting team should always be allowed time for warm-up and to become familiar with all of the lawns that will be used for the match. The time taken for warming up is not fixed but up to 10 minutes should be allowed in the schedule.

This also implies that the visitors should arrive in good time to allow for this warm-up before the agreed start time.

Any hoop-running during the warm-up should be relatively gentle. This is not a practice period and the purpose of hoop-running is to learn the ball clearance and feasible approach angles.

No further practice should occur before later rounds, but a player who joins the match later should be allowed some time to get the 'feel' of the lawn before starting to play.

Clock-stopping

The WCF Rules of Golf Croquet (17.3) allow for clocks to be stopped if two double-banked games interfere.

The other times when clocks may be stopped by mutual agreement are when delays occur that are not part of the normal game. Examples could be:

- a ball lost in a hedge;
- a refereeing decision that is very slow because the Rule Book needs to be consulted;
- a player called away to referee another game.

Note that time is not restored when a game is resumed with a penalty area continuation because the players have run a hoop out of order.
