### 3. Treasurer's report

- a. Report, previously circulated Appendix 1, was accepted
  - i. Outstanding Cygnet invoice to be followed up **Action: PK**

- c. Refund of fees: agreed League Fees and Full Membership Fees be reimbursed for this year.
  - i. This does not include Short Croquet Tournament or Affiliate Member fees
  - ii. **Action: PK** to contact club treasurers informing them of the decision and asking them to specify if they would like to make a donation to the SWF
- d. Early Bird Discount: discussion points
  - i. Agreed that an EBD of 10% be given to fees paid by a certain date (to be agreed)
    1. This should be seen as an encouragement to pay promptly and will be applied leniently
  - ii. Led to discussion about deadline for entries / payment which is currently the end of January
    1. This presents huge logistical problems for the League Sec who has to get the information ready for the SWAN deadline.
    2. A week earlier would make a significant difference
    3. If there were no SWAN then the info could be on the website by the end of February
  - iii. Led to discussion about the future of SWAN as raised by RM
    1. Agreed that members be canvassed for their views and linking this to its value for money - there could be a saving of 20-25% on membership and League fees if printing were to stop. **Action: LS**
- e. Affiliate membership - discussed whether this should be free
  - i. We provide a service so we should charge for this - should they get something for nothing
  - ii. But it costs us virtually nothing to provide this service
  - iii. We want to remove barriers to joining and to encourage play
  - iv. Would a £0 fee mean other clubs relinquished Full Membership
    1. Not if they wanted to play in the Leagues
  - v. We have had greater interaction with Affiliates (and non-members) by including them

- vi. Agreed an Affiliate fee should be charged and that this should be in a stated proportion related to the Full fee.
- vii. **Action: CF** to next committee to consider member responses and fees level
- f. Bank access- agreed that the Chair is given full access to the accounts. **Action: PK, BW**
- g. Judith Moore bursary
  - i. This had become tied up with considerations of changing our legal status
    - 1. It was agreed that we do not change this
  - ii. **Action: LS** to contact Peter Moore cc PK to arrange to transfer the funds
  - iii. It was agreed it is not necessary to open a second account for this as there will be full tracking and to confirm launch date
  - iv. This has led us onto a discussion about our legal status - separate agenda

#### 4. League Secretary report

- a. Previously circulated Appendix 2 and accepted
  - i. Decision to hold no League matches this year was agreed by email and clubs informed.
- b. Suggestion was made at Zoom meeting to use the same dates for next year but move 1 day - discussion with a Match Secretaries has demonstrated this lovely idea will not save any work so arrangements will be made from scratch
- c. One day tournaments:
  - i. Cheltenham and Budleigh have not yet been contacted
  - ii. East Dorset can't make all their lawns available
  - iii. Noted there is likely to be a shortfall between lawn fees and entry fees
    - 1. Agreed this be met from SWF funds
  - iv. Friendlies - **Action: SCB** to circulate details of clubs interested in this to Match Secretaries

#### 5. Short Croquet

- a. John G plans to review the situation towards the end of June but understands Beatrice is keen to hold the event.
- b. Sidmouth have withdrawn which leaves Bristol and Kington Langley and John is working on the practicalities and keeping us updated

#### 6. Development report

- b. Moreton in Marsh are making good progress but the Development Funding available for clubs is now only £9.5k due to Covid support

- d. Monthly Zoom meetings - agreed these continue on a monthly basis (second Tuesday) as long as the demand exists. **Action: PF**
  - i. Noted 14 clubs regularly attend
  - ii. Thanks to Paul for arranging this so well
  - iii. Next topic 11<sup>th</sup> August: Club Mark

## 7. Coaching

- a. Report previously circulated Appendix 4 and accepted
  - i. **Action: RJ** to write an article for Cygnet
  - ii. **Action: RJ** to update website
- b. Noted that national and local marketing is creating a positive climate to recruit new players
- c. Klim's suggestion re scouting for youth talent was discussed
  - i. Agreed response to him that we consider the current system provides this facility, which should apply to all promising players, not just youths.  
**Action: LS**

## 8. Handicapping

- a. Report previously circulated Appendix 5 (along with RM comments) and accepted with thanks
- b. Following discussion, agreed that handicap disputes between clubs after matches will continue to be resolved directly between the two clubs if this can be done quickly and amicably.
  - i. Failing this, the matter should be quickly referred to the SWF Handicapper to be resolved, with CA Handicapper advice if necessary

### Treasurers Report

## South West Federation of Croquet Clubs

Treasurers Report 8th July 2020

### Cash Reconciliation

The cash reconciliation for the accounts up to the 8th July 2020 is shown on the next page. If committee members need further information on any entry, please email me.

Income and Expenditure (as shown by cash in bank) shows an increase in income as all full memberships have been paid, the amounts are broadly in line with the same period in 2019. This gives a misleading picture due to the significant Creditor on the balance sheet of the refund of League Fees (see below).

### Creditors / Debtors

All payments relating to SWAN advertising have now been received.

One invoice is outstanding for a total of £12 for Cygnet advertising and payment is awaited.

Refund of League Fees amounting to £2,352 is due to be paid in the next few months.

### Club Membership Returns

Since the March committee meeting, 2 further affiliate clubs have joined (Moreton in Marsh & Mumbles) Federation Fees of £6 have been paid.

Peter Kirby

July 8<sup>th</sup> 2020

### Separately circulated comments on refund of fees:

It is now clear that activity by the Federation in 2020 will be minimal and we had previously agreed that as a consequence we would refund League Fees, there might also be an argument for refunding (or a proportional refund) of membership fees as well. Membership Fees amounted to £800 and to put this in context after the refund of League Fees the Federation reserves are c. £5,500 on a comparatively stable turnover and expenses each year of c £3,200. In short it appears the Federation could make this refund and for it to be adequately covered by reserves. Some clubs are in financial difficulty and therefore the Federation using its reserves to help at this time might seem to be appropriate.

### League Secretary's Report 5.7.20

The main part of this report is an analysis of the clubs' responses to my email of June 26<sup>th</sup> asking for attitudes to league matches in the rest of this season.

Many of the clubs responded by email but I also have some information given by telephone and during the zoom meeting of July 1<sup>st</sup>. My thanks to Paul for organising this meeting; it was very smoothly run and useful.

Compiling all of the information from these sources, I have come up with some numbers to describe the clubs' attitudes to league matches, friendly matches and team tournaments. I have information on 27 out of 29 clubs (the missing ones are Budleigh Salterton and The Bears).

- Only 7 expressed an interest in league matches and, of those, only 2 would be able to host matches
- 14 might be interested in playing friendlies, but my impression is that this will not be during July.
- 16 might be interested in playing in 1-day team tournaments, if a suitable venue and date could be arranged.

The main issues affecting league matches are:

- Clubhouses closed or inadequate for social distancing
- Toilet facilities limited
- Car-sharing is needed for some teams (though not all)
- Many players will be self-isolating for several more weeks, so team squads will be limited

The main conclusion from the survey is clear - there should be no SWF league matches for 2020. I recommend that the committee confirms that, and we inform the clubs officially. Also, the website should show this decision.

Two other conclusions / actions can be drawn:

Those clubs that have expressed a willingness to consider friendly matches should be sent a list of possible opponents. It will then be up to those clubs to get in touch with each other to discuss the type of croquet, the venue and the match format. There is no need for such matches to meet the SWF league match rules, but any singles games played will count on handicap cards.

Clearly, the best venues for 1-day tournaments would be Cheltenham and Budleigh Salterton, for northern and southern clubs respectively. Over the next 3 weeks I will try to establish whether either is prepared to consider this and to fix some dates, probably in August. If it looks possible, I will offer these dates to the relevant clubs on a first-come first-served basis until the allowed places have been allocated. I will act as tournament manager for the first ones.

It must be emphasised that any match or competition should include an explicit commitment by team members on all sides that they have had no known contacts with Covid-19 in the previous 10 days.

Another matter that was proposed during the July 1<sup>st</sup> zoom meeting was to do with the dates of the 2021 league matches. The suggestion was that match secretaries should be encouraged to start with the same dates as were agreed for 2020, but shifted by 1 day so that they fall on the same weekday.

I don't know whether the match secretaries will agree to this and I can see problems for new clubs or current clubs entering new teams. This is particularly true if I have to adjust block entries to rebalance the regions. However, it may give a good starting point in several leagues / blocks.

### Development Report

Despite the lock down it has been a busy period of time.

#### Good news

Moreton in Marsh have made great strides since my last report. They have acquired a long lease (50 years) at a very reasonable annual cost. At present they are preparing the site for two/three lawns with the objective to seed in the autumn.

The club has raised £25,000 for set up costs. The sources are varied from new members and local businesses. Their objective is to recruit 35 to 40 members by the start of the 2021 season.

You might have noticed that several Moreton in Marsh members have attended our Zoom meetings. Two of them, Gill Hindshaw and Gordon MacCrae, are experienced GC players who previously belonged to Chastleton.

The club has also applied for a £5000 CA grant, the application is a good one and has the support of John Reddish (Chair of the Development Committee). If approved, I expect these funds to be made available to Moreton later this summer.

#### Confidential briefing

#### Communications

I have been pleased with the number of clubs attending the Zoom meetings. My view is that these meetings have helped us to develop regular communications between the SWF, CA reps and the clubs.

I would propose we make these a regular monthly event (second week of each month). We already have a list of topics for club development e.g. ClubMark, Croquet Matters, I am happy to continue to host and organise.

#### CA Developments

To quote Lenin: There are **decades** where nothing happens; and there are **weeks** where **decades** happen” Perhaps this sums up the direction of travel at the CA?

However, the level of enthusiasm for change is yet to be supported with clear plans. This has been illustrated with the meetings that several of us have attended relating to the recruitment of young players.

## Appendix 4

### Coaching report

The covid pandemic has prevented all on-court activity until very recently, but many clubs have now re-started play in a covid-aware way. During the lockdown, many SWF clubs maintained interest in the Laws (AC) and Rules (GC) by email or Zoom quizzes. I gave a 5 session Zoom AC course on break building without bisques (based on a one day normal coaching course) to seven Bristol players, and am now repeating it for three further SWF players from Wellington, Budleigh and East Dorset. A similar initiative on the GC Rules is likely to happen.

The covid lockdown caused a strong resurgence in interest in Croquet by the general public. **Croquet is almost certainly the best socially-distanced sport available and clubs should try to strike while the iron is hot.** We have had about a dozen enquiries at Bristol without any advertising or our usual open day, and have invited them to come as individuals or pairs to a taster session. Those who wish to continue are being supported as individuals or pairs on a six lesson course, conducted in as covid-secure manner as possible. Preliminary results suggest that this method may be more effective than our normal sessions.

I have so far received no feed-back from other SWF clubs about their activities.

## Appendix 5

### Handicapping

The pandemic has massively reduced the number of AC and GC games played at clubs and tournaments which count towards the AHS, but in informal games, some players, especially those in their first two seasons will be making massive improvements in play and will be ready to take on lower handicapped opponents. **Club handicappers will need to work harder than usual in the absence of AHS results**, but will be helped by improving players asking to have their handicaps reduced, and also by opponents saddened by being beaten by upstarts by large margins with bisques still standing.

Handicappers will find it useful to look at the results of informal games. If a player wins say seven in a row or 9/10, or even five with very high margins, his/her handicap is almost certainly wrong and needs adjusting so that club play can continue with enjoyment. The Federation Handicapper will be happy to discuss problems preferably by phone. We will avoid visits by CA Handicappers as far as possible until the pandemic is over. Club handicappers should be more cautious about changing the handicaps of established players, but players getting less mobile with age may be glad of a modest handicap increase to keep them competitive.

### To turn to the points raised by Linda and the CA Handicap Committee

Our current policy is working well, but needs to be shown on the website. **I agreed to take on the role of Federation Handicapper last year, and will update the website asap and try to get it on the CA website too.** The appointment is by the Federation and does not need CA approval (“Each Federation should appoint a handicapper ....”).

**I would find it extremely useful to have an up-to-date list of Club Handicappers, so asking for the names to be given to our secretary annually is a good idea.**

However, a published list is un-necessary and may be counter-productive. The only valid reason a player would want to contact the handicapper of another club would be that the player or more likely a team captain would wish to complain that the handicap of an opposing team member is too high. It would be better to refer the matter to the Federation Handicapper directly. The matter might be resolved less acrimoniously, and a CA handicapper near the club could be called in if necessary. Done this way, if several complaints were made against a particular club or player, the matter might be resolved immediately, rather than possibly coming to light during the analysis of results carried out at the end of the season. **I would be glad if the SWF committee would endorse this approach.**
